

APPROVED BAT BOXES FOR SOUTHEAST ARIZONA

BATS NEED THEIR HOMES TO MEET SPECIFIC REQUIREMENTS. BAT BOXES USED HERE IN THE SOUTHWEST NEED TO BE AT LEAST 3' TALL TO ALLOW FOR THE NECESSARY INTERNAL TEMPERATURE FLUCTUATIONS THAT MAKE IT HABITABLE FOR BATS. HOUSES OFFERING LESS THAN 3' OF VERTICAL MOVEMENT ARE UNLIKELY TO BE USED AND ARE NOT RECOMMENDED.

MOST COMMERCIALY AVAILABLE BAT HOUSES DO NOT MEET THESE REQUIREMENTS AND SHOULD BE AVOIDED. TUCSON AUDUBON MAKES AND SELLS LOCALLY-APPROPRIATE BAT BOXES FOR YOUR OUTDOOR SPACE!

OUR FOUR-CHAMBER NURSERY HOUSE AND ROCKET BOX ARE EXCELLENT TO USE HERE IN THE SOUTHEAST ARIZONA.

ORDER YOURS TODAY!
