The **TUCSON AUDUBON URBAN CONSERVATION TEAM** is your go-to resource for information and assistance on how to make your outdoor space an ideal naturescape. Our expert staff can assist with invasive species removal, custom habitat planning, native landscape design and installation, rainwater harvesting, habitat maintenance, community habitat restoration, training - and more! Pricing for residential services is **LISTED AS A BASE, STARTING QUOTE**. Exact pricing depends on a variety of factors that include location, time, travel, size of property, etc. For community habitat services, please inquire directly with urbanhabitats@tucsonaudubon.org.

Once you’ve emailed your service inquiry to **URBANHABITATS@TUCSONAUDUBON.ORG** a habitat professional will reach out to you to follow-up. Upon receiving all the pertinent details involving the desired work to be completed, a proposal and exact price for services will be provided. Don’t see what you’re looking for or concerned about pricing? Send us an email anyway. We may be able to help and love creative collaborations that benefit wildlife and people!

### $55-105
