

The **TUCSON AUDUBON URBAN CONSERVATION TEAM** is your go-to resource for information and assistance on how to make your outdoor space an ideal nativescape. Our expert staff can assist with invasive species removal, custom habitat planning, native landscape design and installation, rainwater harvesting, habitat maintenance, community habitat restoration, training - and more! Pricing for residential services is **LISTED AS A BASE, STARTING QUOTE**. Exact pricing depends on a variety of factors that include location, time, travel, size of property, etc. For community habitat services, please inquire directly with urbanhabitats@tucsonaudubon.org.

Once you've emailed your service inquiry to URBANHABITATS@TUCSONAUDUBON.ORG a habitat professional will reach out to you to follow-up. Upon receiving all the pertinent details involving the desired work to be completed, a proposal and exact price for services will be provided. Don't see what you're looking for or concerned about pricing? Send us an email anyway. We may be able to help and love creative collaborations that benefit wildlife and people!

**All proceeds directly support our programs, helping us continue our mission of protecting and enhancing local habitats.*

<p>Habitat at Home Certification Program (\$55 - \$105)</p>	<p>Join our Habitat at Home Certification Program and showcase your commitment to bird- and pollinator-friendly landscaping. Your certification includes a beautifully designed yard sign, educational materials to enhance your habitat knowledge, and exclusive access to resources and events led by Tucson Audubon staff and local experts. Together, we'll support nature right in your own backyard!</p>
<p>On-Site Consultation (\$250)</p>	<p>Receive a comprehensive on-site consultation for a single outdoor space up to one acre. Our expert team will evaluate your property, offer tailored recommendations, and provide actionable insights to help you achieve your goals, whether you're enhancing wildlife habitat or creating a more sustainable landscape.</p>
<p>Custom Habitat Planting Plan (\$1500 - \$3000)</p>	<p>Starting at \$1,500, work with a habitat professional to design a tailored planting plan for your outdoor space. This comprehensive service includes:</p> <ul style="list-style-type: none"> • One on-site meeting to assess your space and goals • A draft planting plan designed to suit your needs • A virtual or in-person review to refine the design • A final illustrative planting plan featuring a detailed species list (plant palette) <p>Whether you're creating a wildlife-friendly yard or restoring native habitat, we'll help bring your vision to life. Pricing ranges from \$1,500–\$3,000 based on project scope.</p>
<p>Installation Services (\$10,000 - \$20,000)</p> <p><small>*Pricing varies based on project size and scope—contact us for a quote!</small></p>	<p>Bring your Custom Habitat Planting Plan to life with our expert installation services. Our team can transform your outdoor space into a thriving habitat by installing native plants selected for your site, efficient irrigation systems, rainwater harvesting basins, habitat features such as nestboxes, native bee habitats, tortoise burrows, and lizard shelters, as well as water features to attract birds and pollinators.</p>
<p>NEW! Habitat Subscription Service (\$500 Initial Design Fee + \$200/Month)</p>	<p>Transform your outdoor space into a thriving native habitat with our monthly subscription, designed to bring life and beauty to your yard. For \$200 per month, you'll receive up to four new native plants tailored to your landscape, plus a two-hour on-site visit for hands-on care, guidance, or planting.</p> <p>Your journey begins with an initial planning session for a one-time fee of \$500 (for areas up to 650 square feet), where we'll create a personalized plan to meet your goals. Let us help you cultivate a sustainable, vibrant habitat—one step at a time.</p>
